

# ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. MITCHELL). The Chair will entertain up to five further requests for 1-minute speeches on each side of the aisle.

## RECOGNIZING THE WORK OF FIRST 5 SAN LUIS OBISPO COUNTY

(Mr. CARBAJAL asked and was given permission to address the House for 1 minute.)

Mr. CARBAJAL. Mr. Speaker, I rise today in recognition of the work being done by First 5 San Luis Obispo County for families on the central coast.

I stand to endorse their Children's Bill of Rights. This document serves as a guide well beyond San Luis Obispo County that every lawmaker in this Nation should work toward, especially the right to visit a doctor to help children stay physically and mentally healthy.

This week marks the eighth anniversary of the Affordable Care Act that covers 1 million children through the State and Federal marketplaces. The ACA also made significant investments in our Children's Health Insurance Program.

I urge my colleagues to continue to work together to strengthen this legislation. By controlling the cost of prescription drugs, ensuring cost-sharing reduction subsidies, and adding a public option to bring down the cost of health insurance plans, we can ensure that we continue to raise healthy children.

## RECOGNIZING THE CENTENNIAL CELEBRATION OF BOY SCOUT TROOP 14

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize Boy Scout Troop 14 of Williamsport, Pennsylvania, on its centennial celebration.

Troop 14 is the oldest consecutively chartered troop in the Susquehanna Council Boy Scouts of America. Saint John's-Newberry United Methodist Church has been its sponsor for these 100 years.

Troop 14 has provided scouting to boys in Newberry and the surrounding area. Impressively, the troop has produced 127 Eagle Scouts during that time. It has been through the efforts of many that the troop has been and continues to be an active and strong unit. For 100 years, Troop 14 has helped scores of Boy Scouts build a more conscientious, responsible, and productive society.

The Boy Scouts of America is one of the Nation's largest and most prominent values-based youth development organizations, providing programs for young people that build character,

train them in the responsibilities of participating citizenship, and develop personal fitness.

Mr. Speaker, along with my colleague, TOM MARINO, I commend Troop 14 on its centennial celebration for building so many future leaders by combining educational activities and lifelong values with fun. I wish them the very best on this milestone occasion and look forward to another 100 years of excellence.

## COLORECTAL CANCER AWARENESS MONTH

(Ms. BARRAGÁN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BARRAGÁN. Mr. Speaker, I rise today in support of Colorectal Cancer Awareness Month. This type of cancer is the second leading cause of death in the United States.

Each March, we raise awareness about this terrible disease and spread the word about the importance of getting screened. If you are 45 years or older, please get yourself screened early.

The disease poses an especially high risk to African-American men and women who have the highest rate of death and the lowest survival rate among all Americans. This is why I am proud to support funding for programs like the Colorectal Cancer Control Program, which was established specifically to address disparities in screening rates and to improve access to underserved populations.

Along with the Affordable Care Act, which requires the coverage of screening tests, we can provide the healthcare that Americans need to stay cancer free.

## HONORING THE SEVEN U.S. MILITARY MEMBERS KILLED IN IRAQ ON MARCH 16, 2018

(Mr. KINZINGER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KINZINGER. Mr. Speaker, I rise today in honor of our fallen heroes, the seven U.S. military members killed in the helicopter crash over western Iraq on Saturday, March 16, 2018.

As an airman, I had the privilege of flying with Captain Andreas O'Keefe. His Air Force service included three tours in Iraq, serving in Afghanistan and the Horn of Africa and, most recently, in Texas to help out during Hurricane Harvey. And still, he wanted to do more.

Andy was a fellow air guardsman, a Long Island guy, and served with the 106th Rescue Wing of the New York Air National Guard. Like many who join the service, Andy did so voluntarily, with a servant's heart, eager to serve his country and to help others. Without question, he lived by the 106th credo: "That others may live."

As a nation, we mourn for the families and loved ones of those fallen heroes. We send them our prayers, deepest condolences, and deepest gratitude for their service to the country.

While we grieve this tragic loss, I know Andy died doing what he loved and what he was called to do and what he wanted to do: serve his country.

Mr. Speaker, we stand in this Chamber because of the sacrifices of men and women like this. We have the freedom to debate and vote and use our voices because of their sacrifice.

With that, it is with a heavy heart that I say Godspeed to my friend, Captain O'Keefe.

May God bless our troops every day.

## CONGRATULATIONS TO COACH DON LUCIA

(Mr. EMMER asked and was given permission to address the House for 1 minute.)

Mr. EMMER. Mr. Speaker, I rise today to recognize an outstanding person and a friend.

Don Lucia started playing hockey on outdoor rinks in northern Minnesota as a boy. After playing the game through high school and college, he became one of the most successful college hockey coaches in the country. Recently, Coach Lucia announced he will retire from coaching the Minnesota Golden Gophers men's hockey team after 19 seasons.

During his tenure at Minnesota, Don's teams regularly finished at the top of the WCHA and, more recently, won the Big Ten Conference 4 out of the past 5 years. His teams also made the NCAA playoffs 13 times and won two national titles.

As a player growing up in Grand Rapids, Minnesota, Don was a leader. He was disciplined, and he made everyone around him better. As a coach, he not only built winning teams, he developed young men.

Don is retiring as a true ambassador for the game. While he will no longer be coaching our Minnesota Gophers, I hope Don continues to be a leader for the game of hockey and for our State for years to come.

Don, thank you for leading our Gophers to victory time and time again. Good luck to you; your wonderful wife, Joyce; and the rest of the Lucia family as you start the next chapter.

## HONORING MICHAEL MACCHIAVELLO

(Mr. PITTENGER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTENGER. Mr. Speaker, I rise today in honor of North Carolina State University senior Michael Macchiavello, who, on March 17, won the NCAA Division I National Wrestling Championship at 197 pounds.

Mr. Macchiavello is a graduate of Sun Valley High School in Indian
